The CPC met with planner Jennifer Goldson, her colleague Elizabeth Rust and many Eastham residents at a Community Workshop at Town Hall. Goldson started with a presentation then moved on to a digital group polling exercise, small group discussions and discussions regarding projects the participants believed were most important for the CPC to fund.

The results of the workshop and suggestions for the CPC plan will be presented to the members at their next meeting on April 15, 2014.

The workshop ended at 9 PM.
