

# Eastham Conservation Commission

555 Old Orchard Road  
Eastham, MA 02642

508-240-5971  
Fax 508-240-6687

**Eastham Conservation Commission  
2500 State Highway  
Small Meeting Room  
December 15, 2015  
Work Session  
MINUTES**

**Commissioners Present:** James Baughman, Michael Harnett, Alexander Cestaro and Sheila Filipowski.

**Commissioners Not Present:** Steven LaBranche, Tom Durkin.

The meeting began at 9:00AM.

Sheila Filipowski asked about the revisions process. Shana Brogan explained they are taking out certain portions of the regulations to review and will go back to look at the whole document again. They will also re-visit other issues on the regulations that generate a lot of discussion. After the regulations are fairly close to completion a public hearing will be scheduled to hear any comments or questions from the commission. The draft regulations will then be sent to Town Counsel for review and their comments and the commission will review Town Counsel's comments at another hearing. Then the commission can vote to approve the regulations.

The commission then reviewed definitions. Jim Baughman recommended that definitions that are already in the State wetlands regulations not be included in the Eastham regulations.

There was lengthy discussion regarding Coastal Dunes, Coastal Dune Fields and dunes. The commission decided to come back to this topic at a later date.

Meeting adjourned at 9:55AM.

Respectfully Submitted as prepared by,

*Shana Brogan*
