LOWER CAPE COD CDC SPONSORS BUSINESS TECHNOLOGY CLINIC

The Lower Cape Cod CDC will be offering a Business Technology Clinic for small business owners on Wednesday, June 18th from 3:00 pm to 7:00 pm at the Lower Cape Cod CDC Offices in the Main Street Mercantile Plaza in Eastham. Individual appointments will be available throughout the afternoon with a reservation.

This clinic is a valuable opportunity for small business owners to take advantage of individualized expert business advice from a team of experienced technology consultants. Participants will meet with Technology consultants who have expertise in the following areas: Internet Marketing; Hardware and Software Needs; Web Presence (optimizing and analyzing your website, eCommerce); and Accounting / Financials (QuickBooks, Microsoft Excel and more).

For more information about the Lower Cape Cod CDC's Business Technology Clinic, and to register please call Moira at 508-240-7873 x13 or email moira@lowercape.org. Reservation for this event is necessary to secure a time slot with one of the consultants. There is no cost to attend.

This clinic is an initiative of the CDC's TechSMART Program and is made possible with the generous support of the MA Department of Housing and Community Development. For more information on the Lower Cape Cod CDC and its programs, visit www.lowercape.org.
