The Human Service Advisory Committee's role is to accept and review all funding requests from human services providers, to evaluate their programs in view of the community's needs, and to recommend to the Select Board, through the Town Administrator, a specific grant amount.

Please be advised that the Human Services Advisory Committee will be considering their recommendations for Grant funding in FY23 in light of identified individual and community needs across all age groups within Eastham. We will be looking at your agency's ability to provide support to Eastham residents while addressing their needs that match your agency's mission.

The application deadline is October 15, 2021 for FY 23 funding requests.

Given the committee's time constraints, and our own budget deadline, we must have completed applications at that time. If this date poses an extreme hardship, please contact me through Laurie Gillespie-Lee at the Eastham Town Hall at 508-240-5900 x3207, email: admin2@eastham-ma.gov

On receipt of your application, the Committee will review the document and set up an appointment with you or a representative to attend a committee meeting at a mutually convenient time. A site visit by members of this committee may also be arranged in consultation with you.

FY 23 runs from July 1, 2022 through June 30, 2023. After our recommendations are reviewed by the Town Administrator, they will be presented to the Select Board and Finance Committee for a vote to be included in the FY 23 Budget. Final acceptance of this budget will be at the Annual Town Meeting on May 2, 2022.
