Septic Permit Requirements

The following documentation is required with the submission of a Septic Permit:

- Septic plan (2 Copies if submitted in hard copy)
- Floor plan of existing house
- If part of renovation, floor plan of proposed house
- Application fee (\$100)

Please be advised –

- If Board of Health approval is needed, the approval is needed **BEFORE** application.
- If a new well is planned, the well must be installed and permit certificate of potability issued before a septic permit can be issued.
- If a new municipal water connection is planned, the municipal water connection permit must be applied for before a septic permit can be issued.
