**General Eligibility and Requirements**

1. Persons renting commercial property in Eastham DO NOT qualify for a Resident Beach Sticker.
2. A resident who is entitled to a Resident/Taxpayer Beach Sticker, but who has no vehicle or does not intend to purchase a sticker for their own vehicle, may assign one Resident/Taxpayer Beach Sticker to another individual. The person to whom the sticker is being assigned must be present with the resident to purchase the sticker and must provide a valid vehicle registration and a valid driver's license at the time of purchase. This privilege is limited to one Resident/ Taxpayer Beach Sticker assignment per resident/taxpayer and the beach sticker is waived for the entire year. Once a parking permit has been assigned, the person assigning that sticker is NOT entitled to purchase any further beach permits during that beach season. As of February 2024, this is a "Waived Taxpayer Sticker" and is sold at a different fee. As of February 2024, the fee is \$75.00.
3. In the case of property with a life tenancy provision, the Resident Beach Sticker shall be issued to the life tenant. Any other Beach Parking Permits issued to the same property shall be issued at the rate of a non-resident.

4. In the case of property held in trust, Resident Beach Stickers may be issued to trustees upon presentation of adequate written documentation of trustee status (i.e., copy of trust document). Beneficiaries of the trust are NOT deemed owners of the property and as such are not eligible for a Resident \$25.00 Beach Sticker.
5. In the case of Beneficiary status, Beneficiary Beach Stickers may be issued upon presentation of adequate written documentation (i.e., copy of trust document).
6. In the case of a year-round rental of a residential property, the Resident Beach Sticker shall be issued upon presentation of appropriate written documentation of the year-round rental. (i.e., copy of rental agreement, lease.)

### **Special Permits (Non-Resident Taxpayer Only)**

Non-Residents of the Town of Eastham who do not own a vehicle in Eastham but rent (or otherwise) another vehicle may apply for a Special Permit. This permit allows the taxpayer to the same benefits as a standard, town-issued sticker. Permits are purchased at the same dollar value as a sticker. The name on the permit must match the name of the non-resident taxpayer of Eastham. Only the person(s) whose name appears on the permit is entitled to the privileges of the permit and must accompany the permit at the time of use. As of **April 2010**, vehicle license plates must also be included on the special permit.

### **Seashore Stickers**

These stickers are issued to residents/taxpayers of the Town of Eastham and their legal dependents under the same rules and regulations and with the same documents required for the Resident/Taxpayer Beach sticker. The Seashore Sticker only allows you to park at Nauset Light Beach and Coastguard Beach in Eastham. It does not allow you to park at any other Cape Cod National Seashore beach or at the Town's bay beaches and ponds. Beneficiaries are not eligible for the Seashore Sticker.

### **Replacement Stickers**

Replacement stickers will be issued upon reasonable proof of loss or theft of a sticker, or if the vehicle is traded or sold and plates are transferred to a new vehicle. Only one replacement sticker is permitted in a season. A portion of the original sticker showing the printed number must be presented at the time of the replacement request. There is a \$10.00 charge for a replacement sticker.

### **Misuse of Stickers**

At all times, the sticker remains the property of the Town of Eastham. The person to whom the sticker has been issued (pass holder) has purchased a use privilege, not the sticker and agrees that the sticker may be revoked by removal or other means if it is misused. The pass holder also agrees that the Town of Eastham through its Board of Selectmen will make the final judgment as to whether a sticker has been misused.

The following shall be considered a misuse of stickers:

1. Sticker registration number does not match the registration number of the vehicle to which it is attached.
2. Sticker is not permanently affixed to the vehicle.
3. Sticker has been altered, defaced, copied or made unreadable.
