ROAD OPENING PERMIT NEW DRIVEWAY October 29, 2008

The intent of this permit is to protect the edge of the roadway pavement and to keep storm water, sand, silt, mulch, and other debris off of the road and out of town drainage systems.

The applicant shall remove all vegetation and loam to a firm and stable surface.

A temporary construction apron of 1 ½ “ stone shall be placed to a minimum depth of 4” and width of 8 to 12 feet. This stone is intended to trap mud and debris from the tires of construction equipment.

The applicant shall grade and place erosion control devices as needed to prevent storm water and debris from flowing onto the town road.

The applicant shall be responsible for cleaning up any construction mess on the town road.

Upon completion of the project, the applicant shall insure that the edge of the paved road is supported and not undermined. Any construction damage to the edge of town road shall be repaired by the applicant. No cobblestones, Belgian blocks, pavers, etc. shall be placed within four feet of the town road.

The old driveway shall be removed without damage to the town road and the shoulder shall be re-loamed and seeded.

Dig-safe must be contacted as required by state law

Questions shall be directed to the DPW Superintendent at 508-240-5973

EASTHAM ROAD OPENING PERMIT

PERMIT NO: _____

DATE: _____ **20** _____

TO: TOWN ADMINISTRATOR OF THE TOWN OF EASTHAM

Pursuant to the provisions of the Charter of the Town of Eastham and the applicable provisions of Massachusetts General Laws, the undersigned respectfully requests that your written consent be given to dig up and/or tunnel under the ground in the following public ways for the following purpose:

LOCATION: _____
(Attach plan of work area, sketch on rear may be sufficient)

PURPOSE: _____

The undersigned agrees to conform to all applicable laws and ordinances, and to abide by all stipulations attached to the approved Permit. In addition, the undersigned agrees by the acceptance of this Permit to be responsible for all acts in connection with this Permit and has appropriate insurance coverage for any injuries to persons or property and indemnifies the Town of Eastham for any of its acts in connection with this Permit and to be responsible for trench maintenance during period of construction as well as trench repairs caused by settlement for a period of one year from the date of project completion.
